FINANCIAL AGREEMENT

Thank you for choosing Steele Dental as your dental care provider. Our greatest concern is your oral health. Anything we do or say will be centered on that philosophy. We are committed to your treatment being successful, and to the return and maintenance of your good oral health. Please understand that payment of your bill is considered part of that treatment. The following is a statement of our Financial Policy, which we ask you read and sign prior to treatment.

Assignment of Benefits

I hereby assign benefits to be paid, on my behalf, to the physician who renders service. I understand and agree to be financially responsible for charges not paid for within 60 days by insurance or other third-party payer and certify that the information given with regard to insurance coverage is correct. **Any remaining balance after insurance pays will be billed to the credit card on file.**

Release of Information

I authorize the physician rendering service to release all or part of my medical records when required for the submission of any insurance claims for payment of services rendered. The physician, his agent and his employees who render service are hereby released from any and all liability of any nature that may arise from the release of such information.

Insurance

If we are a provider for your insurance, the planned procedures may be covered under your policy for a reduced fee. **HOWEVER, IF COVERAGE IS DENIED, THE FEES LISTED ON THE TREATMENT PLAN ARE YOUR RESPONSIBILITY.** A case predetermination may be filed with your insurance carrier to help determine the benefits of your individual policy and obtain an **ESTIMATE** of your portion of the charges due at the time of service. We do not file claims to secondary insurance carriers. Please understand that insurance is a contract between you and your carrier, not our office. **If your insurance carrier has not issued payment within 60 days of service, any unpaid professional fees are due and payable in full from you utilizing the credit card on file.**

Dental Insurance

As a courtesy to our patients with dental insurance, we bill insurance carriers directly. HMO and DMO insurance plans require a specialist referral and pre-authorization prior to service. Co-pays, deductibles, and fees not covered by your insurance carrier are due at the time of service. Any remaining balance after insurance pays will be billed to the credit card on file.

Medical Insurance

Since medical predeterminations are not guarantees of payment, **THE FEES LISTED ON THE TREATMENT PLAN WILL BE REQUIRED PRIOR TO YOUR SURGICAL PROCEDURE.** If your insurance carrier issues payment for your case, the reduced fee will be honored, and any portion of overpayment refunded. **Any remaining balance after insurance pays will be billed to the credit card on file.**

Biopsies

If the specimen is sent for pathologic examination, the pathologist will bill you directly for his services.

Payment Options

We accept cash, check, MasterCard, Discover, Visa and American Express. Payment plans are available.

Acknowledgment and Consent of Receipt of Notice of Privacy Practices

J. Darrell Steele, DDS, MD 972.315.3355

All medical facilities are required by Federal and State law to provide each of their patients with a copy of their Notice of Privacy Practices, under the Health Insurance Portability and Accountability Act (HIPAA). This act went into effect April 14, 2003. In addition, we are required by Federal and State law to obtain a signed Acknowledgment from each of our patients indicating they have received the Notice and Consent from our patients to use their health care information for "treatment, payment, and healthcare operations." This act was passed by Congress to protect patients' rights concerning the use of their health care information. In other words, under the new HIPAA regulations, we must take measures to make sure your health care information is not released to parties without your authorization, except for what is necessary to complete our treatment and payment activities. This act will not affect the services you will receive at this office. Thank you for your cooperation.

We encourage you to read it carefully and completely before signing this Acknowledgment and Consent.

We reserve the right to change our privacy policies as described in our Notice of Privacy Practices. If we change our privacy policies, we will issue a revised Notice of Privacy Practices, which will contain the changes. Those changes may apply to any of your protected health information that we maintain.

Right to Revoke:

You will have the right to revoke this Consent at any time by giving us written notice of your revocation. Please understand that revocation of this Consent will not affect any action we took in reliance on this Consent before we received your revocation, and that we my decline to treat you or to continue treating you if you revoke this Consent.
